WESTMINSTER VILLAGE

A Message from Colleen Matthews, Executive Director

Greetings to all and Happy May!

As we continue to work with Healthcare Management Partners, our book of business has evolved in terms of our strategies, policies and procedures. One of the areas that we are working on is strengthening and streamlining our Care Navigation Program.

We believe that consolidating services under the Care Navigator role will not only enhance efficiency but also improve the overall experience of our Independent Living residents. Watch for more information in the coming weeks about this important program.

I'm also thrilled to introduce a wonderful addition to Westminster Village - our very first spa! We can't wait for you to indulge in the relaxation and rejuvenation that our spa has to offer.

We appreciate your continued support and dedication as we work towards these enhancements. Your hard work and commitment to our residents do not go unnoticed, and we are excited to see the positive impact these developments will have on our community.

Pump It For Parkinson's a Success

In April, the Westminster Athletic Club (WAC) supported a "Pump It For Parkinson's" event. The initiative is supervised by the National Institute of Fitness, and Michael Sweitzer, the NIFS Fitness Center Manager, coordinated this successful event for our residents. We appreciated the involvement of Terre Haute Mayor, Brandon Sakbun, at the event!

Here's the scoop:

1. Refer a friend, family member or acquaintance to join our community.
2. When they move in, you will receive \$1,000.00!

It's our way of saying THANK YOU for helping our community grow! Spread the word, share the joy, and let's make Westminster even more vibrant together!
