# WESTMINSTER VILLAGE

## A Message from Colleen Matthews, Executive Director

Greetings to all!

Hoping everyone had a great Father's Day!

Summer is finally here, bringing warm weather, longer days, and action-packed activities at Westminster Village. Camp NIFS is now underway, and we've had an exciting month of fun, including a scavenger hunt and a Field Day Celebration last Tuesday. It brings me great joy to see our residents so happy and engaged.

I am so happy to report we've expanded our sales team to boost occupancy. While our new team members are being trained, we deeply appreciate your crucial role in our community's growth. Your referrals to potential residents are not just recommendations; they are the lifeblood of our community. Good friends make great neighbors, and your support is invaluable to us.

Our current incentive to move to Westminster Village has been well received. We have partnered with Caring Transitions and will cover \$1,000 of your move if you deposit in June. Hurry, there are still a few days left to catch the promotion.

# Healthcare Services Group Dining Update

Exciting news! Healthcare Services Group (HCSG) has recruited Kris Kraut, a local celebrity, as our Executive Chef.

Kris owns Federal Coffee + Fine Foods and is credited with serving the best coffee in Terre Haute. In addition, Kris spent 8 years building The Butler's Pantry Food Company and The Red Barn at Sycamore Farm, a renowned catering company and event venue. Kris is a key figure in Terre Haute's hospitality industry, and we are delighted to have him as our Executive Chef. His skill for crafting delectable dishes from scratch in his kitchen will be highly valued.

Kris' official start date is June 24th. Mark your calendars! There will be a Meet & Greet with Kris on June 24th at 3 pm in the JW Davis Community Center. Please join us in welcoming Kris!

## Welcoming New Team Members

As mentioned, we have expanded our sales team and are pleased to welcome not one but two Amys to our team.

We are excited to announce that Amy Sisson has joined us as the Assisted Living Sales Coordinator, starting on June 4th. Amy has quickly embraced her new role and has already received deposits for our Assisted Living units. Amy will be available to answer any questions that residents of Westminster Village might have about Assisted Living. Her office is located just inside the main entrance to the Healthcare Center.

The other Amy, Amy Hannig, has joined us as the IL Move-In Coordinator, starting on June 17th. She has great experience and will help our depositors in preparing their new homes at Westminster Village. She will also support the sales team with various sales tasks. Her office is found on the first floor in the Sales & Marketing Office.

We kindly ask for your help in extending a warm welcome to both Amys as they become part of our team.

## Resident & Team Referral Program!

Don't forget about our referral program for residents and team members! Your satisfaction is our greatest reward, and we believe the communities are built through the connections we share.

Here's the scoop:

- Refer a friend, family member or acquaintance to join our community.
- When they move in, you will receive \$1,000.00!

It's our way of saying THANK YOU for helping our community grow! Spread the word, share the joy, and let's make Westminster even more vibrant together!
