A Message from Colleen Matthews, Executive Director

Dear Residents and Team Members,

As we close the chapter on 2024 and embrace the opportunities of 2025, I want to take a moment to reflect on the remarkable achievements of the past year. Together, we've celebrated milestones, welcomed new faces, and strengthened the vibrant community that makes Westminster Village so special.

From reaching \$6 million in Independent Living sales to being recognized as one of Indiana's top continuing care retirement communities by Newsweek, 2024 was a year of growth, success, and shared celebration. We also made significant strides in enhancing our campus infrastructure, ensuring comfort and security for all.

Looking ahead, 2025 promises to be an exciting year of innovation and progress. Your continued involvement, trust, and enthusiasm are what make Westminster Village thrive, and I'm excited for all we'll achieve together in the year to come.

Don't miss our Town Hall meeting! Westminster Village will be conducting three Town Hall meetings on Wednesday, February 5th. The leadership team will present a 2024 year in review and the next steps for 2025. These meetings are open to residents, their families, and team members.

When: Wednesday, February 5th at 10 am, 2 pm, and 6 pm.

**We're hosting three meetings to accommodate different schedules.*

Please note that all three meetings will cover the same information, so you only need to attend one.

Where: Community Room at Westminster Village

Warm wishes,

Colleen Matthews
